

Sorry

Ashlee Simpson

1. I threw away my phone, I thought that you should know
I'd throw away my home, if I had somewhere to go

A5 **G5** **D5** **A5**
Anything to stop the circle in my brain
G5 **D5** **A5**
Anything is better than you, making me feel lame

- F#5** **G5**
X: Twenty-eight days to kick a habit
F#5 **A5**
Twenty-eight days to let you go
F#5 **G5**
Twenty-eight days and I'll be on my own

- D5** **A5**
R: All my life I've been sorry for something
F#5 **G5** **Emi**
Something gets me nothing and nothing's such a waste
D5 **A5**
All this time I've been saying I'm sorry
F#5 **G5** **Emi**
Why should I be sorry for all of your mistakes
A5 **G5** **D5**
Why should I be sorry? (sorry)

2. I've had enough of you, please forget my name
I'm runnin' 'round on empty, I'm still tryin' to get away
Anything to kill, the consciousness of you
Anything to rid myself of all the fowl abuse

- X: Twenty-eight days to kick a habit...

- R: All my life I've been sorry for something
Something gets me nothing and nothing's such a waste
All this time I've been saying I'm sorry
Why should I be sorry for all of your mistakes?

- A5** **G5**
*: Now you'll know what it feels like to bite your tongue
D5
Now you'll know what it feels like to be the one
A5 **G5** **D5**
Who walks around with knots in his stomach; I've been there and I've done
it
A5 **G5** **D5**
And now you'll know what it feels like to always be afraid of everything
you had wanted to say
A5 **G5** **D5**
Who's sorry now, who's sorry now, WHO'S SORRY NOOOOOWWW!

- R: All my life I've been sorry for something
Something gets me nothing and nothing's such a waste
All this time I've been saying I'm sorry
Why should I be sorry for all of your mistakes (3x)
