

Your Love Is My Drug

Ashley Roberts

Maybe I need some rehab
Or maybe just need some sleep
I got a sick obsession
I'm seein it in my dreams
I'm lookin down every alley
I'm makin those desperate calls
I'm stayin up all night hopin hitin my head against the wall

What you got boy, is hard to find
I think about it all the time
I'm all strung out my heart is fried
I just can't get you off my mind!

Because your love your love your love is my drug
Your love your love your love
Your love your love your love is my drug
Your love your love your love

Wont listen to any advice
Mommamas tellin me I should think twice
But look into my own devices, I'm addicted it's a crisis
My friends think I've gone crazy
My judgments gettin kinda hazy
My steeze is gonna be affected if I keep it up like a love sick crack head

What you got boy, is hard to find
I think about it all the time
I'm all strung out my heart is fried
I just can't get you off my mind!

Because your love your love your love is my drug
Your love your love your love
Your love your love your love is my drug
Your love your love your love

I don't care what people say
The rush is worth the price I pay
I get so high when your with me
But crash and crave you when you leave

Hey, so I got a question
Do you wanna have a slumber party in my basement?
Do I make your heart beat like an 808 drum
Is my love your drug? your drug?
Huh, your drug?
Huh, your drug?
Is my love your drug?

Because your love your love your love is my drug
Your love your love your love
Your love your love your love is my drug
Your love your love your love

Because your love your love your love is my drug
Your love your love your love
Your love your love your love is my drug
Your love your love your love

Hey, heyy, sooo
You love, your love your love, is my drug
(She says) I like your beard
