

Comeback

Ashlyne Huff

I heard people talking
And they said that we were through
But we're making a comeback
We're making a comeback
The odds were 10 to 1
That there was no more me and you
But we're making a comeback
We're making a comeback

Have I told you
Have I told you
Have I told you
Lately, lately
Have I told you
That I love you yeah yeah
Making a comeback
We're making a comeback
We're making a comeback,
Comeback, comeback
Yeah yeah yeah

We've been through ups and downs
And in and outs and now
We're bulletproof
We're making a comeback
We're making a comeback
Cause we belong together
It's so obvious and true
We're making a comeback
We're making a comeback

Have I told you
Have I told you
Have I told you
Lately, lately
Have I told you
That I love you yeah yeah
Making a comeback
We're making a comeback
We're making a comeback,
Comeback, comeback
Yeah yeah yeah

Let me hear your hands now,
Everybody clap
Try to make some noise
For this comeback, comeback
Me and baby boy
Gonna show you how to dance
So go on and make some noise
For this comeback

Have I told you
Have I told you
Have I told you
Lately, lately
Have I told you

That I love you, yeah yeah
Making a comeback
We're making a comeback
Making a comeback
We're making a comeback, yeah
We're making a comeback
We're making a comeback
We're making a comeback,
Comeback, comeback
Yeah yeah yeah
