

# Runway

Ashlyne Huff

It's hard to believe that only this photograph  
Is where you and me can be  
For so many nights I can't even close my eyes  
Cause you are the light I need  
I'm on my way I'm on a one way aeroplane  
I gotta get back now, I gotta get back now

Chorus:

I'm looking for the runway, the runway to you  
So baby light my way  
I'm looking for the runway, the runway back to you  
So baby light my way, I'm coming home to you

I'm starting to see a familiar place again  
And I'm getting close to you  
I know I'm late, it's killing me just one more day  
I gotta get back now, I gotta get back now

(CHORUS)

My heart is jumping out of my chest now, is it really you?  
I'm never gonna leave you again now

(CHORUS)
