Asia Cruise

What's your name (2x)

What's your name (2x)

But I been waiting on you  
I've been so patient for you  
I'm not trying to rush you or anything  
I just want to get to know you

There ain't no need for gaming  
I know just what your saying  
And I been watching you from all the way across the room  
I just got to find a way to come and talk to you

And I'm so bad at introductions  
And I don't know what to talk about  
And I don't want to say the wrong thing and push you away from me  
And you so tight I don't want to mess this up  
And you just the type to have me dressing up  
There's only one chance  
I got to say something  
Here goes nothing

Usually I don't do this but  
You wont do it for me so  
What's your name (baby, baby) x2

It takes two to make a thing go right  
You are looking to right so  
What's your name (baby, baby) x2

Its not that I'm impatient  
But you're procrastinating  
And I'm not trying to rush you or anything  
I'm not trying to be rude  
And I can't wait no longer  
The feelings getting stronger

I'm the only one you not talking two  
So I got to come and talk to you  
But baby I'm

And I'm so bad at introductions  
And I don't know what to talk about
