You are looking to right so

What's your name (2x) What's your name (2x) But I been waiting on you I've been so patient for you I'm not trying to rush you or anything I just want to get to know you There ain't no need for gaming I know just what your saying And I been watching you from all the way across the room I just got to find a way to come and talk to you And I'm so bad at introductions And I don't know what to talk about And I don't want to say the wrong thing and push you away from me And you so tight I don't want to mess this up And you just the type to have me dressing up There's only one chance I got to say something Here goes nothing Usually I don't do this but You wont do it for me so What's your name (baby, baby) x2 It takes two to make a thing go right You are looking to right so What's your name (baby, baby) x2 Its not that I'm impatient But you're procrastinating And I'm not trying to rush you or anything I'm not trying to be rude And I can't wait no longer The feelings getting stronger I'm the only one you not talking two So I got to come and talk to you But baby I'm And I'm so bad at introductions And I don't know what to talk about And I don't know what to talk about And I don't want to say the wrong thing o push you away from me And you so tight I don't want to mess this up And you the type to have me dressing up There's only one chance I got to say something Here goes nothing Usually I don't do this but You wont do it for me so What's your name (baby, baby) x2 It takes two to make a thing go right
