

## Ghost of a Chance

Asia

Hold on tight,  
Fight it tooth and nail,  
You are right,  
You just cannot fail.

Seek to change,  
Your circumstance,  
While there's a ghost of a chance.

Ride your luck,  
Opportunity,  
What you see,  
That's your destiny.

Grasp it now,  
Take your stance,  
While there's a ghost of a chance.

Plain as day,  
All is black and white.  
Stand your ground,  
You can win the fight.

But don't give up,  
There's true romance,  
While there's a ghost of a chance.

Outnumbered now,  
Face the enemy,  
Against the odds,  
Seal your victory.

Seize the day,  
Raise your lance,  
While there's a ghost of a chance.
