

Into the Fire

Asking Alexandria

Take him out back
Take him out back
Take him out back

I'm not too sure what I'm supposed to do with this
These hands, this mind, this instability
From a cage I created, to a hell that heaven made
Can't let go of the hatred cause I love the way it tastes

Take him out back

I wouldn't take back a moment
Not one miserable moment
I'll give it all 'til there's nothing
I'd walk into the fire
Into the fire
I'd walk into the fire
Into the fire
Into the fire

I've come to terms with the fact I'll never change
And that's just fine, I find solace in the pain
I don't mind the darkness, it's easy on the eyes
I'm praying for something to make me feel alive

I wouldn't take back a moment
Not one miserable moment
I'll give it all 'til there's nothing
I'd walk into the fire
Into the fire
I'd walk into the fire
Into the fire
Into the fire
The fire

I'm a paranoid, sycophant
Masochistic dilettante...
Narcissistic elephant in the room
I'm the end of the world
Thinning the herd
The all around outta my mind, fucking absurd
I am gone
I am gone

I wouldn't take back a moment
I'd walk into the fire
Into the fire
I'd walk into the fire
Into the fire
Into the fire
Fire

Take him out back
