1. Fair young maid all in a garden
 D **Ami**
 strange young man passerby
 C **G**
 said "Fair maid will you marry me?"
 Hmi **Ami**
 this then sir was her reply.
2. "Oh no kind sir I cannot marry thee
 for I've a love who sails all on the seas
 he's been gone for seven years
 still no man shall marry me."
3. "What if he's in some battle slain
 or drowned in the deep salt sea
 what if he's found another love
 and he and his love both married be?"
4. "If he's in some battle slain
 I will die when the moon doth wane
 if he's drowned in the deep salt sea
 I'll be true to his memory."
5. "And if he's found another love
 and he and his love both married be
 I wish them health and happiness
 where they dwell across the sea."
6. He picked her up all in his arms
 and kisses gave her one two three
 saying "Weep no more my own true love
 I am your long lost John Riley."
