

## Mutilating Process

Asphyx

Come with me to Satan's reach  
Try to look through Satan's eyes  
The power with which Belial writes  
Desecration life defiled

Mortal fools on the other shore  
Virgin Mary Satan's whore  
Time has come, truth turns around  
Satanic chaos, cause not found

Mutilating process, decay  
Of the defiled minds  
Living structures, chaos  
Truth has been revealed
