## The Grand Denial

**Asphyx** 

Packs of the Nippon beast, scavenging the East Expansion of territory with primeval savagery Decades in torment, a mourning continent

Women their first reward, pleads for mercy ignored Coercion and abduction, dragged to "comfort stations" An army inistitution deployed for prostitution

Forced into the brothels Abused and brutalized Whole families murdered Daughters dehumanized

Commodified rape centers Virgins, underaged Raped, stabbed, beaten, starved Enslaved and caged

Injected no. 606, containing arsenics
Tens of thousands died of disease or suicide
A life of constant pain, forever in shame
Apologies never made, and if ever, they come too late
