

Large eusocial vespidae  
Impressive due to size  
Member of aculeata  
Consume and paralyze  
Dismembering captured victims  
Removing limbs and heads  
With powerful mandibles  
Its prey thets torn to shred

Majestic creature  
Carnivore  
Hunt without failure  
Predator

Let us observe this common man  
In his beloved shed  
Yet free of all suffering  
And his forthcoming death  
Annihilate one of their sort  
Fatal the consequence  
Pheromone raises the alarm  
Triggering the defense

Dispersing mayhem  
Avenging winds  
Retaliation  
Venomous stings

Poisonous needles  
Synchronic attacks  
Frenetic hundreds  
Raging insects

Little swelling burning wounds  
Of acetylcholine  
Feel the excruciating pain  
His body in decline  
Dying slow and miserable  
The swarm now comes to erst  
Eliminated danger  
Return to their nest

Poisonous needles  
Avenging winds  
Deadly hundreds  
Venomous stings
