

Accumulating rot  
Resentful memories  
Disaster imminent  
Colliding energies

A slow crescendo builds  
Like a wave that never crests  
It's growing louder still  
A cruel endurance test

Annihilation looms  
A barrage of bitterness  
Hidden hostilities  
Emotional distress

A slow crescendo builds  
Like a wave that never crests  
It's growing louder still  
A cruel endurance test

A gasping aftermath  
The cold, chaotic days  
Abruptly redefined  
A past that's set ablaze

A slow crescendo builds  
Like a wave that never crests  
It's growing louder still  
A cruel endurance test
