## **Babylon Rise**

## **Astral Doors**

Rise Babylon rise I'm the whore of Babylon, come to me I'll sing my song Prophets try to analyze, am I a tale or antichrist? Unleash the great sin of Sodom and Gomorrah Jackals and hounds out on the prowl Protect yourself, need no one else Children, unite, let me be your friend The mother of harlots I am Babylon rise Evil is forever Babylon rise The resurrection is here Feed yourself and no one else, the symptom of the world today Hell is god and god is great, join me now in the fire lake Democracy's a fake Say welcome to destruction A permanent chaos here to unfold Intolerance and ignorance Madness divide Army's on the shore The lonely invader for sure Babylon rise Evil is forever Babylon rise The new revelation is here The mother of harlots I am Unleash the great sin The Babylon whore will be a friend of mine Rise, rise, rise Don't have to ask myself Rise Am I a god or antichrist? Unleash the great sin of Sodom and Gomorrah Jackals and hounds out on the prowl Protect yourself, need no one else Children, unite Let me be your friend The mother of harlots I am
