

Under a Serpent Sun

At the Gates

Web of corruption thick with deceit
The language of destruction, the slaughter of the meek

Under a serpent sun - we shall all live as one

No rest for the wicked, the children of god
The final retribution, the final curtain torn
Within us - the flames of the end
Survival of the fittest, the hunt for the sacred game

Under a serpent sun - we shall all live as one

Children of chaos - born of holocaust seed
Inherit the addiction, angels of genocide breed
Within us - the flames of the end
Survival of the fittest, the hunt for the sacred game

Under a serpent sun - we shall all live as one

Sweetfleshed, hellbent creature
Artist of the fevered soul
Heavenly, venomous rapture
Stricken numb by fear I fall

Stricken numb by fear I fall
