

Alien

Atlanta Rhythm Section

The sun just went behind a cloud again
Down crowded streets he walks alone
He's a stranger out of place, a number not a face
And all day long, all day long

He's feelin' like an alien
Feelin' like he don't belong
Have mercy, cried the alien
Help him find his way back home

The feelin' that he feels he can't explain
Sunday, Monday, Tuesday, they're all the same
He's lost and all alone, a heart without a home
Standin' like a statue in the rain

He's feelin' like an alien
Feelin' like he don't belong
Have mercy, cried the alien
Help him find his way back home

Now, now and then we all are aliens
Feelin' like we don't belong
Have mercy, cried the alien
Help him find his way back home

Feelin' like an alien
He's feelin' like he don't belong
Have mercy, cried the alien
Help him find his way, help him find his way
