

Baby No Lie

Atlanta Rhythm Section

You're like a feather
In the wind
Searching for a place to land
Come tomorrow
You might leave a thing
It's all right, baby no lie

There's no need to fake excuses
You don't have to alibi
'Cause girl I'll never try to fence you in
It's all right, baby no lie

So if you wanna fly, oh yeah
Go on and fly
If hanging around
Is bringing you down
Pay my love no mind
Goodbye

So say, you'll always think about me
Say you'll keep me on your mind
We'll be friends, until the end girl
And I'll be all right, baby no lie

So if you wanna fly, yeah
Won't you go and fly
If hanging around
Is bringing you down
Pay my love no mind
Goodbye
