

# Get Your Head Out Of Your Heart

## Atlanta Rhythm Section

You sit with your head in your hands  
Lookin' like you don't understand that it's over  
Summer lovin' and marshmallow clouds  
Slippin' off to where we weren't allowed  
All night rockin' and rollin', all day in the clover

Get your head out of your heart  
It won't get you nothin' but a heartache  
Get your head out of your heart  
And start doin' whatever it takes  
To get your mind straight

Ain't no reason to keep lookin' back  
Don't you know, you can't go back there again  
Get your eyes on the road up ahead  
Yesterday is long gone dead, my friend

So get your head out of your heart  
It won't get you nothin' but heartbreak  
Get your head out of your heart  
And start doin' whatever it takes  
To get your mind straight

Don't you know life is leavin' us fast  
So don't bury your head in the past

Get your head out of your heart  
It won't get you nothin' but a heartbreak  
Get your head out of your heart  
It won't get you nothin' but heartbreak

Get your head out of your heart  
It won't get you nothin' but a heartbreak  
Head out of your heart  
It won't get you nothin' but heartache
