

Life is a colorful thing  
Life is a colorful thing...  
From rainbows to rain  
And all of the hills in between

Indigo passion and chartreuse motels  
Blue mornin's after, feelin' like hell  
Big yellow taxi - rusty and gray  
Comming to take me away

Blue celebrations with borderline friends  
We go through the motions again and again  
Sometimes it's just not the way that you dream  
But life is a colorful thing

Life is a colorful thing Life is a colorful thing  
From nightmares to dreams  
From one to the other extreme

I wrote you a letter that I never sent  
On pale stationary, and here's how it went

Hello my darling, how have you been,  
Why don't we try it again?

Indigo passion and chartreuse motels  
Blue mornin's after - feelin' like hell  
It's highly ironic and slightly obscene  
But love is a colorful thing, Love is a colorful thing

At the end of the tunnel, I know there's a light  
The glimmer of mornin', the twinkle of night  
The white of your smile, the green of your eyes  
Oh what a beautiful sight

Life is a colorful thing... Life is a colorful thing  
You can say what you will  
But life is a colorful thing  
Yeah, from rainbows to rain  
Life is a colorful thing.
