

If you like to go jukin'  
If you like the western swing  
Outside of Austin, Texas  
I know a cowboy's dream

It ain't much to look at  
Just another cowboy club  
But they got jukin'  
And I got jukin' in my blood

When it comes to country music  
I never liked it much  
Till I heard it played  
With that Texas touch

Kinda like to boogie  
Just can't get enough  
Don't you wanna go jukin'?  
Let's go jukin'  
I got jukin' in my blood

Let's go jukin'  
Don't you wanna go jukin'  
I got jukin' in my blood  
All right, one time now, Dean

Deep in the heart of Texas  
The jukin' never stops  
It used to be the Texas Playboys  
But now, old ZZ's Tops

Keeps on smoking  
Lord, I hope it always does  
Don't you wanna go jukin'  
Let's go jukin'  
I got jukin' in my blood

Let's go jukin'  
Don't you wanna go jukin'  
I got jukin' in my blood

If you like to go jukin'  
If you like the western swing  
Outside of Austin, Texas  
I know a cowboy's dream

It ain't much to look at  
Just another cowboy club  
But they got jukin'  
And I got jukin' in my blood

Let's go jukin'  
Don't you wanna go jukin'  
I got jukin' in my blood  
Yes, I do
