

# You Ain't Seen Nothing Yet

## Atlanta Rhythm Section

Fire up the silver eagle  
Follow that big demand  
Take us to where we are goin'  
Hurry it up if you can  
How long  
Have we been gone  
2nd  
Ridin' up front with the driver  
Keepin' each other awake  
Laughin' and talkin' and thinkin'  
Starin' off into space  
How many Holiday Inns  
And overnight friends  
But we keep on movin'  
Searchin' for a ravel in the noose  
Carry me  
Carry me  
Silver eagle  
Let me hear  
Those mighty diesels drone  
Fire it up  
Let it whine  
Follow the long white line  
Silver eagle  
(Carry) (Roll) on  
(Roll on and on and on)  
(Repeat)  
(Out)
