

Yours And Mine

Atlanta Rhythm Section

Ain't nobody's love
Ain't nobody's wine
Ain't nobody's downfall
But yours and mine

Ain't nobody's heaven
Across the great divide
Ain't nobody's promised land
Nobody's but yours
Nobody's but mine

It's everybody's illusions
That got us in this bind
It's everybody's confusion
Everybody's but yours
Everybody's but mine

Ain't nobody wrong
Ain't nobody right
Ain't nobody's right to say
Nobody's but yours
Nobody's but mine

Nobody's but yours
Nobody's but mine

Nobody's but yours
And mine
