

Bullseye, ya got me, baby  
Bullseye, ya hit the spot, lady  
Bullseye, ya got me crazy  
Bullseye, I just can't stop

Feeling good, baby, you're the reason  
My whole body just feels like pleasin'  
All of you, baby, instant pleasure  
I give my love and completely surrender  
My heart and soul  
I need ya so, just can't let go

Bullseye, ya got me, baby  
Bullseye, ya hit the spot, lady  
Bullseye, ya got me crazy  
Bullseye, I just can't stop

Holdin' up to this satisfaction  
Every touch brings a chain reaction  
Liftin' me up 'til I feel the fire  
Reach on out while the flame of desire  
Just let me know  
I need ya so, just can't let go

Bullseye, you got me, baby, yeah  
Bullseye, oh, you hit the spot, girl  
Bullseye, ooh, you got me crazy  
Bullseye, ooh, I just can't stop

Bullseye, oh, you got me, baby  
Bullseye, baby, yeah you hit the spot, yeah  
Bullseye, you, you got me crazy, yeah  
Bullseye, ooh, I just can't stop  
Just can't stop, my baby, baby, yeah

Bullseye!

Bullseye, you got me, baby  
Bullseye, you hit the spot  
Bullseye, ooh, you drive me crazy  
Bullseye, oh, baby  
You know I just can't stop, baby...
