

# Hold On

Atlantic Starr

Don't walk away  
Just because of some disagreement, no  
There's a better way  
For us to deal with the hurt  
That we're feeling, baby

Just take my hand and let's turn down the lights  
(Turn it down)  
Together we can work out a compromise  
We'll let our hearts do all the talking tonight  
So put your arms around me, girl, and...

Hold on to love and don't let go  
Hold on, hold on to our love  
When times get rough, we can't give up, no, no  
Girl, you've got to hold on to love

We've come too far  
To leave all the good times behind us, yeah  
(All the good times, baby)  
There's still so much more  
Of loving to give one another, baby

Just take my hand and let's turn down the lights  
(Turn it down)  
Together we can work out a compromise  
We'll let our hearts do all the talking tonight  
So put your arms around me, girl, and...

Hold on to love and don't let go  
Hold on, hold on to our love  
When times get rough, we can't give up, no, no  
Girl, you've got to hold on to love

We made a promise to stay together  
No matter what came our way  
Through the good and bad  
We will stand side by side  
You and I to the end of time

Hold on, hold on, girl and don't let go  
You've got to hold on, baby, ooh...  
When times get rough, we can't give up, no, no  
Girl, you got to hold on to our love

Hold on to love and don't let go  
Hold on, hold on to our love  
When times get rough, we can't give up, no, no  
Hold on to our love  
Hold on, sweet darling, whoa-whoa  
Whoa-whoa, our love
