

More More More

Atlantic Starr

Baby you know the nights are forever without you
And I'm planning to make up for lost time
So hold me, don't let go of me
Let your love flow like never before
Seems it's been a lifetime
But you were worth waiting for
Even after you give me your love

Give me more and more and more
And more and more, I'll take all that you have
Give me more and more and more
And more and more, cos I never get enough of your love

Nobody knows what tomorrow may bring
Baby so let's take advantage of the times we have
So hold me, don't let go of me
Let me fill you with all the love that I got
Cos you are the find that I don't wanna ever lose
Can't you see I stay hungry for you

Give me more and more and more
And more and more, I'll take all that you have
Give me more and more and more
And more and more, cos I never get enough of your love, no, no

I love you tonight, I love you forever
Can't imagine living here without you
We can feel that this feeling's real
We'll just keep pouring fuel on this red hot flame

So hold me, don't let go of me
Let me fill you with all the love that I got
Cos you are the find that I don't wanna ever lose
Can't you see I stay hungry for you

Give me more and more and more
And more and more, I'll take all that you have
Give me more and more and more
And more and more, cos I never get enough of your love
No, no, no, no, ooh
