

# My Special Lover

Atlantic Starr

My special lover, that's what you are  
My extra special lover  
Girl, you are a star in my book  
Ooh...

Girls, girls, girls, I've dated them a lot  
But you've got something more  
Than the others girls got, did you know  
When we're together, magic's in the air  
I feel a sense of power  
The energy is there when we love  
Every time we do it, I float on a cloud (yeah, yeah)  
You give me so much pleasure, I want to cry out loud  
And I can't believe that I make love to one so fine  
That's why I make sure to take me precious time, oh

My special lover, that's what you are  
My extra special lover  
Girl, you are a star in my book

Ooh, you really know  
How to make me feel  
Sometimes it feels  
Too good to be real, baby love  
Yeah, you take pride  
In the pleasure that you give  
And you can keep on lovin' me  
As long as I live, angel dove  
You're always smiling, you never complain  
If you weren't here beside me  
I'm sure I'd go insane  
You have a habit of making my day  
Girl, I want you here, forever to stay, oh

My special lover, that's what you are  
(Oh, baby, ooh-ooh...)  
My extra special lover  
Girl, you are a star in my book  
Girl, you know you are  
My special lover, that's what you are  
My extra special lover  
Girl, you are a star in my book, oh, yeah

I'm so glad you came into my life  
And, oh, girl, what perfect timing  
You cut through my boredom just like a knife  
And made my world, oh, so exciting

Special lover

Oh, baby  
Ooh, ooh-whoa...

My special lover, that's what you are  
My extra special lover  
Girl, you are a star in my book, girl, girl  
My special lover, that's what you are

My extra special lover  
Girl, you are a star in my book  
My book, my book, girl, girl  
My special lover, that's what you are  
My extra special lover
