

# One Lover At A Time

Atlantic Starr

Can't believe this mess I'm in  
Don't know if I'm coming or going  
Got my heart spread too thin  
Lately the strain has been showing

I need a new direction  
Don't wanna share my affection

One lover, one lover at a time  
That's enough for me  
One lover, one lover at a time  
You're all I need

One lover  
One lover  
One lover  
Hoo, hoo, hoo

My phone is ringing off the wall  
Get confused which lover is calling  
I can't take this anymore  
I saw you and I started falling

You are my new direction  
Gonna give you all my affection

One lover, one lover at a time  
Not two, not three, not four  
One lover, one lover at a time  
I don't need anymore

One lover  
One lover  
One lover  
Hoo, hoo, hoo

One lover  
Just one lover  
One lover  
Hoo, hoo, hoo

From now on safety  
In numbers won't do  
If you'll be there for me  
I'll be there for you

One lover  
One lover  
One lover  
Hoo, hoo, hoo

One lover, one lover at a time  
That's enough for me  
One lover, one lover at a time  
You're all I need

One lover

One lover  
One lover  
Hoo, hoo, hoo

One lover, one lover at a time  
Not two, not three, not four  
Just one lover, one lover at a time  
I don't need anymore

One lover  
One lover  
One lover  
Hoo, hoo, hoo

One lover  
Just one lover  
One lover  
Hoo, hoo, hoo...
