

Wishing On A Star

Atlantic Starr

I'm wishing on a star to follow where you are
I'm wishing on a dream to follow what it means
I'm wishing on a star to follow where you are
I'm wishing on a dream to follow what it means

And I wish on all the rainbows that I see
I wish on all the people who really dream
And I'm wishing on tomorrow, pray it never comes
And I'm wishing on all the loving we've ever done

I never thought I'd see a time when you would be
So far away from home, so far away from me
Just think of all the moments that we've spent
I just can't let you go, for me you were meant
And I didn't mean to hurt you but I know
That in the game of love you reap what you sow

I feel it's time we should make up baby
I feel it's time for us to get back together
And make the best of things oh baby
When we're together, whether or never
I feel it's time we should make up baby
I feel it's time for us to get back together
And make the best of things oh baby
When we're together, whether or never

I'm wishing on a star to follow where you are
I'm wishing on a dream to follow what it means

And I wish on all the rainbows that I see
And I wish on all the people we've ever been
And I'm hoping on all the days to come and days to go
And I'm hoping on days of loving you so

I'm wishing on a star to follow where you are
I'm wishing on a star, whoa
And I wish on all the rainbows that I see
I'm wishing on a star to follow where you are
I'm wishing on a star
