

Woman's Touch

Atlantic Starr

Some people like walking down a one-way street
They keep their love locked deep inside
They say they don't need no one, they like running free
But if the truth was known, that's just a lie

'Cause when the night comes falling down
A single heartbeat's such a lonely sound

When the world gets heavy
And times get rough
A man needs a woman's touch
You can have it all
And would still not be enough
'Cause a man needs a woman's touch
A man needs a woman's touch

Take a man like me, I was on my own
Until you came and pulled me through
You know you cool the fever and you calm the storm
And when I need shelter, I come running to you

When the world gets heavy
And times get rough
A man needs a woman's touch
You can have it all
And would still not be enough
'Cause a man needs a woman's touch
This man needs a woman's touch

'Cause when the night comes falling down
A single heartbeat's such a lonely sound

When the world gets heavy
And times get rough
A man needs a woman's touch
You can have it all
And would still not be enough
'Cause a man needs a woman's touch
This man needs a woman's touch

Oh, I need you so much, yeah, yeah
A man needs a woman's touch
Ooh, you know I need you so much
A man needs a woman's touch, yeah

A man needs a touch of a woman
And you know that
I need a touch of a woman
I've got to have it
And I can never get enough
A man needs a woman's touch
Yes, it does now
Whoa-whoa, I need your touch now
This man needs the touch of a woman...
