

# You Deserve the Best

Atlantic Starr

Anything you want, I'll give it to you  
'Cause all I have, you're entitled to  
All my love and nothing less  
You deserve the best

If you dream of a castle, I'll build it for you  
Work day and night 'til you say I'm through  
I'll fill your life with happiness  
You deserve the best

Darling, you deserve the best  
I'm twenty-four hours at your request  
A love like mine will never rest  
'Cause you deserve the best

I'll make your world a cloudless day  
I'll move every mountain that's in your way  
Oh, it's my heart that you possess  
You deserve the best

Darling, you deserve the best  
I'm twenty-four hours at your request  
A love like mine will never rest  
'Cause you deserve the best

You know, girl  
You've been so, so good to me  
And I love the way  
You make me feel inside  
And guess what, before I met you  
My love life was just okay  
But now that you're here  
Everything is beautiful now  
And that's why you deserve the best

You deserve the best  
You deserve the best
