

Reverse Effect

Atozzio

Don't know, don't know, don't know!
I don't know, I don't know, I don't know!
Yeah, yeah! You were homie, we were so close,
We had so much in common, liked the same shows,
... But that's when things went wrong,
I started missing you, and you were gone,
Every single day talking on the phone,
We made official that kind of issues,
I wish I saw that before

Jealous, selfish, always complained,
... night and day
Don't matter, always trying to control me,
Girl, you ain't nothing but a...
What happened to the woman I knew when we were friends
I didn't know what was behind that kiss!
I was caught in the moment, start to seek in,
And now I'm thinking

[Chorus:]
Baby this way was a mistake, yeah!
Being together only made it complicated.
Didn't think that we would turn up this way
No, no, ... wasn't worth taking!
Should we go back to how we were,
Back to how we were,
Back to how we started... friends first,
I wish we could reverse, reverse, reverse
We could reverse, reverse, reverse

You got me...
Say he's stuck stupid...
The woman that I fell for, baby
You're damn sure...
... we argue all the time,
It seems like... wanna pick a fight, and the only good effect of it
Is the makeup sex for me
But I hate how you
Jealous, selfish, always complained,
... night and day
Don't matter, always trying to control me,
Girl, you ain't nothing but a...
What happened to the woman I knew when we were friends
I didn't know what was behind that kiss!
I was caught in the moment, start to seek in,
And now I'm thinking

[Chorus:]
Baby this way was a mistake, yeah!
Being together only made it complicated.
Didn't think that we would turn up this way
No, no, ... wasn't worth taking!
Should we go back to how we were,
Back to how we were,
Back to how we started... friends first,
I wish we could reverse, reverse, reverse
We could reverse, reverse, reverse

If I could rewind us, and... take it back
Cause right now...
Maybe we should learn each other just a little bit more!

[Chorus:]
Baby this way was a mistake, yeah!
Being together only made it complicated.
Didn't think that we would turn up this way
No, no,... wasn't worth taking!
Should we go back to how we were,
Back to how we were,
Back to how we started... friends first,
I wish we could reverse, reverse, reverse
We could reverse, reverse, reverse
