Godless Years

Hot desire, staggering passion Graving complection and pefection Made us blind Greed of completeness made us, man To subject and vassales of ourselves Presumpteous creatures How narrow are you ? Self-aggrandized, destructive individuals The believing in yourself Growing up to selfishness Egoism discards moral and ethics

Godless years shall arise Godless years are devined We provoke the death We're damned to die

Mass-corruption dominates World of lies and of sin Godless years We all live in

Self-nominated gods You're only god's image Those who believe in eternal resignation Await your final downfall

Godless years shall arise Godless years are devined We provoke the death We're damned to die

Mass-corruption dominates World of lies and of sin Godless years We all live in

Lost in megalomania, unclean human beings (are) Drunken by blood Having the force To judge about life and death Never prudent, always merciless

Kingdom of waste and poverty, unclean human beings Thirst for power Might and pride Glitter and gold rape their intellect Rejection is calling primitive instincts

Godless years shall arise Godless years are devined We provoke the death We're damned to die

Mass-corruption dominates World of lies and of sin Godless years

Atrocity

We all live in

Infamous world, whore, called babylon Godless years, death to us.... and fear !

Hot desire, staggering passion Craving completion and perfection Greed of completeness made us, man To subjects and vassales Of ourselves

How much you have Glorified yourself So much torment and sorrow you'll get Horde of protical sons Await your final downfall

Godless years shall arise Godless years are devined We provoke the death We're damned to die

Mass-corruption dominates World of lies and of sin Godless years We all live in
