

Poseidon loved Cleito  
A new dynasty was born  
Five twin pairs to be kings  
Demigods are enthroned

Colourless blood power of the Gods  
They would perish and die without the sacred sap

Mysterious fluid of the Gods  
When they shed their blood mortals die by just one touch

Their destiny will ever be bound with them all even if they rise or fall

Their destiny will ever be bound to the oath they gave by their birth

Ichor blood of Gods

Dynasty of ten kingdoms  
Realm of demigods  
Ten kings of mighty strength  
Immortal blood in their veins

Colourless blood power of the Gods  
They would perish and die without the sacred sap

Mysterious fluid of the Gods  
When they shed their blood mortals die by just one touch

Their destiny will ever be bound with them all even if they rise or fall

Their destiny will ever be bound to the oath they gave by their birth

Ichor blood of Gods
