People Are People

Atrocity

People are people, so why should it be You and I should get along so awfully People are people, so why should it be You and I should get along so awfully

So we're different colours, and we're different creeds And different people have different needs It's obvious you hate me, though I've done nothing wrong I've never even met you, so what could I have done?

I can't understand What makes a man Hate another man Help me understand

People are people, so why should it be You and I should get along so awfully People are people, so why should it be You and I should get along so awfully

Now you're punching and you're kicking and you're shouting at me I'm relying on your common decency So far it hasn't surfaced, but I'm sure it exists It just take a while to travel from your head to your fist

I can't understand What makes a man Hate another man Help me understand

People are people, so why should it be You and I should get along so awfully People are people, so why should it be You and I should get along so awfully

I can't understand What makes a man Hate another man Help me understand

I can't understand What makes a man Hate another man Help me understand

I can't understand What makes a man Hate another man Help me understand

I can't understand What makes a man Hate another man Help me understand

I can't understand What makes a man Hate another man Help me understand

I can't understand What makes a man Hate another man Help me understand
