

Spell Of Blood

Atrocity

Reciting darkest rhymes
into the unholy light,
cast the spell with demon eyes,
malevolent sorcery

Black magic ritual,
incantations powerful,
unleashing the spell,
Maleficium

Bind the powers to my need,
with this magick, I do bleed,
witchcraft by the Devil's hand,
malevolent sorcery

Ages of misery,
life damned eternally,
curse of evil sealed in blood,
blood magic, spell of blood

Flesh to flesh, blood to blood,
drowned in the spell of blood
