

## Superior Race

### Atrocity

They come across the sea from the island of eternity  
Dark ships with banners high, the whole world in their sight  
They are the Godly race, suppressing every place  
Occult powers reign of fear invincible technology

The bloody way on their quest  
Day by day they never rest, triumph is eternal  
Hail, superior race  
Obey superior race now

Man calls them Titans and Nefilim, they take over reign supreme  
Until they don't defeat every land, this war will never end  
Warlords of golden times, strong men side by side  
Spilling blood on the shields, they control the battlefields

The bloody way on their quest  
Day by day they never rest, victory essential  
Hail, superior race  
Obey superior race now

Godlike dominance over other tribes  
Inhuman malice in their mystic eyes  
In a world of chaos human race is lost  
Assumption of power, empires fall to dust  
Fall to dust

The bloody way on their quest  
Day by day they never rest, triumph is eternal  
Hail, superior race  
Obey, superior race

The bloody way on their quest  
Day by day they never rest, victory essential  
Hail, superior race  
Obey superior race now
