They come across the sea from the island of eternity Dark ships with banners high, the whole world in their sight They are the Godly race, suppressing every place Occult powers reign of fear invincible technology

The bloody way on their quest
Day by day they never rest, triumph is eternal
Hail, superior race
Obey superior race now

Man calls them Titans and Nefilim, they take over reign supreme Until they don't defeat every land, this war will never end Warlords of golden times, strong men side by side Spilling blood on the shields, they control the battlefields

The bloody way on their quest
Day by day they never rest, victory essential
Hail, superior race
Obey superior race now

Godlike dominance over other tribes
Inhuman malice in their mystic eyes
In a world of chaos human race is lost
Assumption of power, empires fall to dust
Fall to dust

The bloody way on their quest Day by day they never rest, triumph is eternal Hail, superior race Obey, superior race

The bloody way on their quest
Day by day they never rest, victory essential
Hail, superior race
Obey superior race now
