

# Sins Of Man

Attacker

Live for your desires  
Live now for your sins  
Live for material gam  
No love flows within

Truth lives not within you  
Hate now fills your soul  
Thrown into the black abyss  
Hell now in control...

Oh, save our souls from our sins  
Please free us now  
before it begins... It begins!

Poison flowing in your veins  
No kindness to give  
Hatred towards your fellow man  
Destroying where he lives

Born without sin when our lives began  
We must repent  
for sins of man... Sins of man!

Hear the screaming, are we dreaming?  
Life is lost, love is gone  
we have lost control  
Hate has won, end's begun  
will we lose our souls?

HATE FROM WITHIN  
WE ARE MARCHING THE END  
AND NOW WE MUST FEAR FOR OUR SOULS  
TORTURE AND PAIN, YES SOON IT BEGINS  
THE DARKNESS IS NOW IN CONTROL  
RAPING THE EARTH AND SCORCHING THE SKY  
NO RESPECT FOR THE GIFT THAT HE GAVE  
SCIENCE IS GOD, NOW WE BANISH HIS WORD  
OUR WORLD NOW BECOMES A MASS GRAVE

Carry the weight of our sins  
The wicked sins of man  
Prophecy foretold  
Now the end begins

SOLOS:

CHORUS
