## Mangled

## **Attica Blues**

It's just a broken dream
It's just a broken dream
One of the endless promises
It's just a broken dream

It's just a broken dream
It's just a broken dream
One of the endless promises
It's just a broken dream

It's just a broken dream It's just a broken dream One of the endless promises It's just a broken dream

It's just a broken dream It's just a broken dream One of the endless promises It's just a broken dream
