

## Make It Sick

Attila

Second time and I'm back again  
Back on the track, I'm about to formulate an ultimate sadistic  
attack  
So free your mind, here's a remedy for misread introductions  
It's a shame that people have it all wrong  
Make it sick, prove them wrong and do whatever it takes to have  
fun  
They'll be laughing- haha ha haha, and we'll go  
On on on and again, cuz our beat will never end  
You can't beat it you can't stop it, stick it in your pipe and  
smoke it!  
And if you disagree, so what?

I don't give a fuck if you like this song  
Is it heavy, is it heavy!?  
I don't give a fuck if you like this song  
Is it heavy enough for you?

Okay pull it together, we've got business to attend to  
Don't take everything so literally  
A party is whatever you make it out to be  
Just have fun, make it sick!

Now that we got a better understanding, we can take it to another  
level  
Can you understand where I'm coming from?  
Do these words even make any sense?  
Never take shit from anyone  
Do whatever it takes to have fun  
Stay happy, make it sick  
If you don't get it, suck a nut!

We do whatever we want, and we will never give a fuck  
If you like it or not!
