Knight Of Wands

Au Revoir Simone

Oh joy, I can see you
Oh joy, I can see you
It's all I want
It's all I want
Oh joy, I can see you
Oh joy, I can see you
It's all I want
It's all I want
Oh joy, I can see you
Oh joy, I can see you
Oh joy, I can see you
It's all I want
It's all I want
It's all I want

When there's no one else to blame And there's nothing left to say Seeing changes everything We can realize anything
