

# Believer

## Audio Adrenaline

I want to live this live unsafe, unsure, but not afraid  
What I want is to give all I got somehow  
Giving up letting go of control right now

'Cause I'm already out here, blind but I can see  
I see the way You're moving  
God how I believe that

I can push back the mountains, can stand on the waves  
I can see through the darkness, I'll hold up the flame  
Take me to the ocean I want to go deeper  
I'm not afraid no, I'm a believer

And so I lose this life to find my way and come alive  
They can try to deny what's inside of me  
But there is more, can't ignore all the things unseen

Oh I believe I can walk on water with You, Lord

When I walk through the valley of the shadows  
When I'm trapped in the middle of the battle  
I will trust in You  
'Cause trouble comes, but you never let it take me  
I hold fast 'cause I know that You will save me  
I will trust in You, I will trust in You

Oh here I stand all alone waiting on you, Lord  
Waiting on You
