## Audio Push

Pull up with the squad and shit (whoa)  
Lookin' like gods and shit  
All of that hatin' (all of that hatin')  
I ain't even bother with it (bother with it)  
Everything sanctified (sanctified)  
Real nigga paid the price (real nigga paid the price)  
If you ain't got the vibe (whoa)  
Then I can't take that ride (I can't take it)  
Stop all the hatin' (stop all the hatin')  
I can see through it (I can see through it)  
All of that fakin' (all of that fakin')  
I can see through it (I can see through it)  
We get the highest (we get the highest)  
She wanna try it (oh, yeah try it)  
Start a riot (whoa, whoa)  
Sanctify it (sanctify it)

Pull up with the squad and shit (squad and shit)  
Lookin' like gods and shit (gods and shit)  
Give me a scholarship (scholarship)  
The way I be ballin' out (be ballin' out)  
You with subliminal diss (subliminal diss)  
I'm with the callin' out (with the callin' out)  
I spend every dime on my niggas (every dime on my niggas)  
'Cause we was all in a drought (all in a drought)  
She work through the week (she work through the week)  
At night she a freak (at night she a freak)  
She roll that up (roll that up)  
She bring me peace (bring me peace)  
Gotta fill my cup (cup, cup, cup)  
Sanctified (sanctified)  
Light one up! (up, up, up)  
This that vibe (vibe)  
Pull up with the squad and shit (squad and shit)  
Got the whole set by me (set by me)  
They don't even check ID (check ID)  
Let the nigga rep IE (yeah rep IE)  
Never stray the plan (whoa)  
DJ play the jam  
Might crash 'em with vans (whoa)  
Leave 'em prayin' hands

I can see through it (I can see through it)  
We get the highest (we get the highest)  
She wanna try it (oh, yeah try it)  
Start a riot (whoa, whoa)

Sanctify it (sanctify it)

Pull up lookin' like Zeus, made your girl choose  
My team just made the news, we don't switch crews  
None of the fu-fu lame, never cared about fame  
The funny thing about this game, you win when you stop playin'  
Pull up, focused, never met up but they know us  
Still fightin' nigga grow up, where you from? So what  
All that lame shit out, all that playin' games, that's out  
You sayin' names, that's out, doin' it for clout, out  
Welcome to the future evolve, don't mind the breathin' walls  
Don't look up at the TV, they use that to throw you off  
You should thank me little nigga, I ignored your girl, she called  
Yeah you talk it, we ball, you ride the bench, we ball
