

Window Seat

Audio Push

No outdoor on the indo
When my seat rise I be real low
We gon' go far, we gon' go far
But [?]
No outdoor on the indo
When my seat rise I be real low
We gon' go far, we gon' go far
Yeah, yeah yeah

I get you high as your window seat (yeah)
I feel your vibe, feel your energy (yeah, yeah, yeah)
Go 'head get live as you wanna be (yeah, yeah, yeah)
You can get live as you wanna be (yeah, yeah, yeah)
I get you high as your window seat (yeah, yeah, yeah)
I love your vibe and your energy (yeah, yeah, yeah)
You can get live as you wanna be (yeah, yeah, yeah)
You can get live as you wanna be (yeah, yeah, yeah)

Uh, go, step, woah, down, go, step
Real niggas gonna eat no need to compete, no
She rolling up her cream seeds, TLC with the cream, woah
Backdrop, pretty bitches when I mob
Only sweets, no we don't do [?]
Tell the maintenance I got OG in my zip
Got my whole team and we all gon' take a hit, lit
Come to [?] with me
Take it past the bar with me
Smoking gas with you
Puff, pass, and laugh with you
Got hundreds on me now, fresh and want your place then they come around
They didn't hold me down, I don't see a face, I don't know them now
Get freaky, freaky, word
They ain't speaking, but I know they peep me, word
I still tap in a check to [?], word
Lil' mamacita, [?] can't defeat me and I get her-

High as your window seat (yeah, yeah, yeah)
I feel your vibe, feel your energy (yeah, yeah, yeah)
Go 'head get live as you wanna be (yeah, yeah, yeah)
You can get live as you wanna be (yeah, yeah, yeah)
I get you high as your window seat (yeah, yeah, yeah)
I love your vibe and your energy (yeah, yeah, yeah)
You can get live as you wanna be (yeah, yeah, yeah)
You can get live as you wanna be (yeah, yeah, yeah)

She asked me if I'm high right now
I told her, "yeah"
She said can she come by right now
I told her, "yeah, ha, yeah"

Everybody talk dumb 'till you see 'em in public
And everybody wanna work 'till you mention a budget
But me and you, we work effortlessly and I love it
But you don't wanna fall back in love, so let's get the subject
See you, you got squad goals
And I got [?] goals
Some people don't know how to love you, that's just how it goes

Gotta accept that, smoke one, don't stress that
My phone stay going crazy, I never text back
Writing to myself, well really, wait no, really
See you say you love these songs cause you still hear the real me
How I went through all this BS and I'm still me
I just hope it don't kill me
Look here, I'll get you-

High as your window seat (yeah, yeah, yeah)
I feel your vibe, feel your energy (yeah, yeah, yeah)
Go 'head get live as you wanna be (yeah, yeah, yeah)
You can get live as you wanna be (yeah, yeah, yeah)
I get you high as your window seat (yeah, yeah, yeah)
I love your vibe and your energy (yeah, yeah, yeah)
You can get live as you wanna be (yeah, yeah, yeah)
You can get live as you wanna be (yeah, yeah, yeah)

The last lights
