

The Way

Audiovision

I want to sing some other way
Always the same, never a change
What can I do to make me feel right
Change all my ways, give up my life

Oh - what did you say?
Oh - Christ is the way of rockin'
For the one who is the rock

I feel His strength come into me
Reading His word helps me to see
I feel so new, I want to sing
Feeling His joy in everything

Oh - what can I say?
Oh - Christ is the way of rockin'
For the one who is the rock
