

Diamond

Audrey Horne

Hold on, it's been far too many years
Since I've seen home.
Stay strong, and don't lose hope now.
I've been gone so many years,
counting days to my return,
You'll see me some day on the horizon

Gone forever, we left without a trace,
This is farewell from us all.
Gone forever, we faded with the sails,
Someone told us help would come
