

Get a Rope

Audrey Horne

Get a rope
Get a rope
Get a rope
Get a rope
Get a rope
And tie it to a pole

Get a knife
Get a knife
Get a knife
Get a knife
Get a knife
And cut it into pieces

Get a nail
Get a nail
Get a nail
Get a nail
Get a nail
And pin it to the ground

Get a brick
Get a brick
Get a brick
Get a brick
Get a brick
And the break the damn thing

Get a car
Get a car
Get a car
Get a car
Get a car
And the run it to the ground

Get a bag
Get a bag
Get a bag
Get a bag
Get a bag
And sink it in a lake

We have come to wreck their day
And make them suffocate
All that's left to loose for them
Now is that last worn down nerve

Get a rope
Get a rope
Get a rope
Get a rope
Get a rope
And tie it to a pole

Get a knife
Get a knife
Get a knife

Get a knife
Get a knife
And cut it into pieces

Get a gun
Get a gun
Get a gun
Get a gun
Get a gun
And shoot it off it's feet

Get a brick
Get a brick
Get a brick
Get a brick
Get a brick
And break the damn thing

We have come to wreck their day
And make them suffocate
All that's left to loose for them
Now is that last worn down nerve

Get a rope
We have come to wreck their day
To make them suffocate
All that's left to loose
Is that last worn down nerve
We have come to wreck their day
To make them suffocate
All that's left to loose
Is that last worn down nerve
