

# Last Man in the World

Aura Dione

Last man

Teardrops are falling on my guitar  
I play the last song at the bar  
When I found out we were three, not two, lost all my faith in you  
Why, why, why didn't I say goodbye?

You, you went and let me down again  
Now every time I see your face  
I wanna be a lesbian, oh, na, na  
Said it was something that I made you do  
Keep coming back, but you know we are through  
I'll never ever be your girl  
Even if you're the last man in the world

Your heart no longer feel like home (Feel like home)  
The Gods told me to walk alone (Walk alone)  
When I found out we were three, not two, lost all my faith in you  
Why, why, why didn't I say goodbye?

You, you went and let me down again  
Now every time I see your face  
I wanna be a lesbian, oh, na, na  
Said it was something that I made you do  
Keep coming back, but you know we are through  
I'll never ever be your girl  
Even if you're the last man in the world  
You, you went and let me down again  
Now every time I see your face  
I wanna be a lesbian, oh, na, na  
Said it was something that I made you do  
Keep coming back, but you know we are through  
I'll never ever be your girl  
Even if you're the last man in the world
