

Caught Up

Austin Mahone

If you tell me you want it
I can't lie, girl, I feel the same
Can't you tell that I want you?
Cause it's written all on my face
Now if I tell you I love you
Promise me, girl, it's not a phase
And if there's nothing more between us
Then why we sneakin' around so late?

Cause I never thought love
Could ever make me feel this way
And now I'm caught up
With how we did it on the first night
So now it's on us
Who said we'd never get this way?
And now I'm all caught up
Girl, you got me all caught up with you

Now if I tell you I need you
Know that I'm in this for it to last
Cause through it all, girl, I see you
I'm all yours, you don't need to ask
There ain't a damn thing we can't do
But I'd love to take a rocket blast
Cause I'll be fine if I'm with you, girl
Even if I bought the tank of cash

Cause I never thought love
Could ever make me feel this way
And now I'm caught up
With how we did it on the first night
So now it's on us
Who said we'd never get this way?
And now I'm all caught up
Girl, you got me all caught up with you

You got me caught up, baby
(W-w-w-w-wi-w-w-with you)
With you...
(W-w-w-w-wi-w-w-with you)
You got me caught up, baby, with you
With you
With you, with you

Cause I never thought love
Could ever make me feel this way
And now I'm caught up
With how we did it on the first night
So now it's on us
Who said we'd never get this way?
And now I'm all caught up
Girl, you got me all caught up with you
