

You Got Me

Austin Mahone

Baby, thoughts of you
It's driving me crazy
Fooling myself, maybe
Do you want me or you playing me?
Yeah, yeah

All that chasing
Time gets wasted
You should already be my lover
And this situation
Is so heartbreaking
You've got me right where you wanna

You got me
You got me
You got me
Yeah, yeah
You got me
You got me
Yeah, yeah

Baby, you got me
Thinking 'bout you daily
Foolish myself, maybe
Do you want me or you playing me?
Yeah

All that chasing
Time gets wasted
You should already be my lover
And this situation
Is so heartbreaking
You've got me right where you wanna

You got me
You got me
You got me
Yeah, yeah
You got me
You got me
Yeah, yeah

You got me
You got me
Yeah, yeah
You got me
You got me
Yeah, yeah
